

RENEGADE LEGION

Don't mess with them!!

Lorenzo Bocchio

1 RULES

- Put the RENEGADE LEGION cards and the Traders into the deck, and then shuffle. When you encounter a Mercenary from the Legion you must fight him or her.
- When you roll for Combat, you must deduct the Melee Defence number in Combat or the Magic Defence number in Psychic Combat.
- If you win, you collect Mana Stones from them.
- You can decide to trade these Stones with the other players or simply try to kill them and take their Stones.
- The first player who trades at least 11 stones with one of the Traders gains the 1st Prize of the Void Crown, the second the 2nd Prize of the Soul Drinker.
- The trader can also trade Mana stones for Gold at a rate of 2 Stones for 1 Gold
