

# OZZ'S TRADE AND BARTER (No Bartering Allowed)

Are you local?

“Ozz”

## 1 Introduction

You have come across Ozz's Trade & Barter. Ozz was a legendary crusader for the Crown Of Command and through his travels gathered many items. Now old and weary from his many adventures, he has set up shop here to help others continue the glorious quest. You may purchase any item at his listed price or you may trade. To trade or sell you receive half his listed price in exchange. If the item is not listed, Ozz will offer you a price of 1D6 for any regular Object and the price of 1D6 + 2 for any Magic Object. However once you have offered the item, you must accept Ozz's offer. Unlisted sold items are then available for the sold price + 1.

Being an old man, Ozz will gladly share some tales of his quests. For every turn you miss listening to his stories, Ozz will subtract 1 from his price. A minimum of 1 must be paid per item.

At his shop, Ozz will accept all sorts of payment:

- Gold 1 : 1
- Pearls 1 : 1
- Pelt 2 : 1
- Meat 4 : 1
