## 1 Advanced Character - Puritan Knight

The High Temple Elders are seeking a worthy champion to claim the Crown of Command for the church. If you are Good or Neutral, you may take the Purity Potion given by the Elders to see if you are worthy to become the Puritan Knight. If you choose to do so, roll 2 dice & add your Strength:

- 1-4: The potion poisons your tainted heart! Lose 1 Life.
- 5-6: No effect! The Elders demand a contribution to the High Temple. Lose 1 Gold or 1 Object.
- 7-8: You feel a mild tingling sensation, but the Elders deny you the post.
- 9: The potion empowers you! You may become the Puritan Knight by donating 1 Gold or 1 Object to the High Temple.
- 10 & Up: The potion has shown your heart & soul to be of the purist kind! You may now become the Puritan Knight! You may resign from the post of Puritan Knight at any time.
