

Zodiac

"Crimson Archon"

THE ZODIAC

ZODIAC CREATURES
The Zodiacs are treated as powerful monsters but they force a character to engage them in both battle and psychic combat, at the same time. A Zodiac Enemy takes only 1 Life if it is victorious in battle or psychic combat and affects the Character it defeats as listed on the card itself.

REWARDS
A Zodiac Enemy that is defeated in battle or psychic combat but not both has a Strength or Craft token placed on it. A Zodiac has a -1 to Strength and Craft for every such token placed on it.

A Zodiac Enemy that is defeated in both combat and psychic combat is not kept as a trophy. However, the victor

gains their choice of one Strength, one Craft, one Life, one Fate or one Spell.
